## About Me

Creative and tech-savvy designer with **7+ years of experience** in UX/UI, product design, and frontend implementation. Currently designing the next-gen self-checkout systems for **REWE Group**. Skilled in Figma, React, and prototyping — bridging the gap between user needs and production-ready code.

---

## Core Skills

### Design & UX

User Research • Wireframing • Rapid Prototyping • Design Systems • Design Documentation

Usability Testing • Interaction Design • Design Thinking

### Frontend

HTML • CSS • JavaScript • React • Next.js • MobX • Tailwind • Clerk Auth  
Firebase • MongoDB • Shadcn UI • Git • Framer Motion

---

## Experience

### Senior Product Designer @ REWE International (Vienna)

*Apr 2022 – Present*

- Led UX for **Billa's self-checkout kiosks** (now live in 60+ branches)
- Built a **white-label design system** for all REWE brands
- Prototyped AI-powered retail dashboards using **V0 + Shadcn UI**

- Created **interactive mockups** with FigmaMake
- 

### **Frontend Intern (Part-Time) @ Suplyd (Remote)**

*May 2024 – Jan 2025*

- Implemented UI components in React & Ant Design
  - Worked across **webshop + mobile app** with MobX, GraphQL, Next.js, and react native
- 

### **Product Designer / Low-Code Dev @Tubics (Vienna)**

*Oct 2020 – Jan 2022*

- Designed **video optimization tool** (top-selling feature)
  - Built UI for **YouTube rank tracker** on SEMrush
  - Created and documented company-wide **design system**
- 

### **Part time UX/UI Designer @ Hotelkit (Salzburg/Austria)**

*Nov 2019 – Oct 2020*

- Designed **housekeeping tool** (2nd best-selling feature)
  - Redesigned **web + mobile app interfaces**
- 

### **Junior UX Designer in Growth Squad @ Wuzzuf (Cairo)**

*Oct 2018 – Oct 2019*

- Designed job post flow (still in daily use)
  - Ran UX experiments for **user acquisition**
- 

## **Education**

### **FH Salzburg**

 M.Sc. Human-Computer Interaction

*2019 – 2021*

### **German University in Cairo (GUC)**

 B.Sc. Materials Engineering (5-year program)

*2012 – 2018*

---

## Languages

 English (C2)  German (C1)  Arabic (Native)

---

## Awards & Volunteering Projects

-  **1st Place** Prototype – Salzburg Startup Weekend 2020 for Grocery Shopping AI assistant
-  **TEDx GUC Research Lead** – Cairo (2016–2017)
